

Beyond Dancing

WELCOME to the 2016-2017 Dance Year!

We hope that your first few dance classes have been delightful!

**PLEASE NOTE THAT THE CLASSES MISSED ON MONDAY, SEPTEMBER 5
DUE TO LABOR DAY WILL BE HELD ON MONDAY, NOVEMBER 21**

Things to keep in mind to make your dance education fun and successful:

- ☑ Be prompt, courteous, and come with a positive attitude.
- ☑ Come prepared to stay focused and work diligently.
- ☑ Ballet students must wear their hair securely in a bun and with long bangs secured off of face; all other dance students wear hair pulled up off of neck and out of your face (pony tail or braids acceptable).
- ☑ Wear appropriate attire (dance students please see Attire information on the bulletin board in the hallway or on our web site: www.beyonddancingsarasota.com)
- ☑ Leave valuables at home.
- ☑ Turn off cell phones or put them on mute.
- ☑ Put belongings in a cubby or in a corner of the dance studio so that they are out of the way of traffic.
- ☑ Please help us to keep the studio neat by putting away blocks, books, crayons, magazines, etc. when you are finished using them.
- ☑ Use the rest room before or after your lesson, not during!
- ☑ Show your teacher respect. If in a dance class, raise your hand to ask a question - please don't just shout out! Listen attentively and follow directions.
- ☑ When you don't understand a concept or a dance step, or are having difficulty mastering what your teacher is asking you to do, please don't be afraid to ask for help!
- ☑ When awaiting your turn in a class situation, show your classmates respect by remaining quiet and attentive.
- ☑ Practice your dance steps at home so that you will make good progress at your next lesson.
- ☑ Let go of your cares and **Dance for Joy!**

Please let us know if you have any questions, problems, or concerns.
WE WISH YOU A WONDERFUL DANCE YEAR!
